Refund Policy for CHW Westerbeke Pres Day Retreat & June Reunion

Due to continued questions about this matter, a core group of Cloud Hands West/Lui Cloud Hands Tai Chi members agree that our refund policies should be published. Because our retreat and reunion contracts are primarily with Westerbeke Ranch in Sonoma, California, this policy refers only to Westerbeke deposits and payments.

Full refunds for deposit or down-payment for a reunion or a retreat will be approved if cancellation of registration is given 30 days ahead of the date of the event and the CHW group sign-ups have met the minimum head count as required by the contract. CHW cannot give any last-minute refunds.

If you can find a substitute for your registration before the beginning of the event, that sub's reimbursement to you is to be handled privately. That sub must however complete a CHW registration form immediately and no less than 1 week (at the latest) before the date of the event for housing and food planning.
